## IN MEMORIAM: LOWELL D. KISPERT

With deep respect, we announce the passing of Professor Lowell D. Kispert at the age of 85. He leaves a remarkable legacy as a pioneer in carotenoid radical research and advanced EPR spectroscopy.

For an extended bibliographical note, visit our Website <https://carotenoidsociety.org>

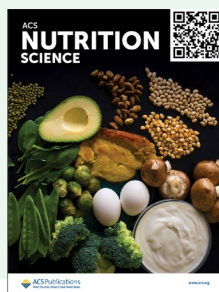

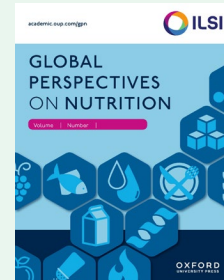

1940 – 2026

## CELEBRATING OUR MEMBERS

**Dr. Elizabeth Johnson** – appointed Editor-in-Chief of *Global Perspectives on Nutrition* (GPN), a new open-access journal focusing on global nutrition and sustainability.

**Dr. Jaume Amengual** – appointed Deputy Editor of *ACS Nutrition Science*. This new journal focuses on how food and nutrients affect health and disease.

*Both journals are actively seeking submissions from carotenoid researchers!*
